When inserting the pages included with this new mailing, always use the checking list to insure that you have a complete Data Book. Insert this mailing promptly to ensure an up-to-date Data Book. For the most up-to-date information, Truck Force Tools should be consulted.

The prices set forth in this Data Book are Sterling Truck Corporation and Sterling Division of Freightliner of Canada, Ltd, suggested retail prices. The prices do not govern, and should not be construed to govern, the prices which the company's dealers establish for their respective customers. Specification, prices and weights are subject to change without notice. Prices do not include U.S. Federal Excise taxes (except for tires) or Canadian Goods and Services taxes or other sales or use taxes. Vehicles requiring changes in specifications to comply with Federal, State, Provincial or Municipal requirements will be subject to an adjustment equal to the price of the change in specifications needed to comply with such requirements.

The information and data contained in this publication is confidential and proprietary to Sterling Truck Corporation, and use is only authorized only in connection with the ordering or purchase of products in accordance with the procedures of Sterling Truck Corporation. Copying or distribution of all or portions of this publication or dissemination of information or data contained in this publication, without the express permission of Sterling Truck Corporation, is prohibited.
